<http://eedition.nytimes.com>    **Username and Password: 100320977**

We have **in-school-only access** to **SCIENCE DIRECT** (*with limited access*) and **SCIENCE NEWS**.  
[Click on the links on the library webpage for these sites within the building for direct access.]

Also, try the **New York Public Library** for other databases at [www.nypl.org](http://www.nypl.org) .  
Some databases you might make use of there are **Literature Resource Center** for literary criticism articles, and **Opposing Viewpoints** for persuasive essays on various issues with related articles and statistics.  
For word etymology try the **Oxford English Dictionary [OED Online]**.

For access to **Wired** magazine on your device, go to [www.wired.com/go/digitalaccess](http://www.wired.com/go/digitalaccess) . The **subscription** account number is 0895302396 . Enter **stuylibrary@gmail.com** and the password **stuylibrary** .
